## THE PROJECT

LOCAL COMMUNITY LEADERS: Model of mentoring between the local community leaders – the role of seniors in local community development

### Aim of the project

Improve the community development and increase of the number of well-prepared local leaders among people over 50

Preparation of members of the target group for performing social leader roles by developing their potential

How? Strengthening leadership competencies, allowing them to take action for positive social changes in the local environment.

### Target groups

#### Primary Group:

local community leaders over the age 50.

#### Secondary Groups:

community centers, NGOs, initiative groups, charities, local, regional and national authorities.

# WHAT HAVE WE DONE DURING THE LOCKDOWN

---

For several months now, the entire world has been struggling with a new, completely unexpected situation – the COVID-19 pandemic. The disease outbreak has dominated all spheres of our lives.

The beginnings were extremely difficult for everyone and, many unknowns in personal and professional life had an impact on our project.

- **KCZIA:**
  - development and management of IO1
  - project dissemination
  - establishment of links (online) with the target group which resulted in new contacts for the project
- **BIMEC:**
  - development of IO1
  - identification of local dissemination channels, network of stakeholders and community leaders (such as the actress Krassimira Demirova)
- **ULBS:**
  - profesional meetings in schools, emailing, newspaper article

# WHAT HAVE WE DONE DURING THE LOCKDOWN

- MC2020:
  - development of IO1
  - meetings with local associations and entities
- EIP
  - engagement with the primary target group via online activities and the usage of social networks
  - online meeting published on the EPAL platform
- LABSTEM
  - despite the difficult national situation they managed to plan next steps for IO2 & IO3.
- LAG
  - intensification of communication with member organisations and did a survey on what they need for their goals from the LAG.
- Online meeting instead of our second TPM in Italy

## NEXT STEPS

---

- Finalization of IOI-Handbook
- Next TPM in Lamia, Greece
