THE PROJECT

**Model of mentoring
between the local
community leaders**

**Improve community
development and increase the
number of well-prepared local
leaders among people over 50**

**Preparation of potential leaders
for performing social leadership
roles while developing their own
potential**

HOW ?

By strengthening your leadership competencies and
allowing you to take action for positive social changes
in their community

SECOND TPM, LAMIA (GREECE)

Despite the uncertainty we were facing caused by COVID-19 , we finally managed to organise a meeting in Lamia (11 September 2020), combining face-to-face and online participation

Main points of the meeting

Establishment of a thematic channel for the project on Youtube

Division of work between partners of the Training kit (IO2)

Training for trainers (C1) will be organised online

Online meetings between partners will be held once a month

NEXT STEPS

- Finalization of IO1-Handbook
- Development of the structure of IO2
- Organization of the online training for trainers (C1)
